Comment: This sale includes one or more parcels which are considered nuisance, contaminated, potentially contaminated, unkept, obsolete and/or blighted properties. In the public interest, the Foreclosing Governmental Unit ("FGU") has determined that these nuisances require abatement as a condition of sale. In order to bid on this auction lot any prospective purchaser MUST submit a detailed written plan to the office of the FGU (County Treasurer) not later than close of business five business days prior to the date of auction. In this written plan the offeror must identify the deficiencies it recognizes in EACH parcel offered. Specify what abatement plan it has for EACH property specifically, the timetable of this abatement, and the identity, contact information and qualifications of the person(s) who will perform the work. This auction lot will ONLY be available to auction bidders that have submitted such a written plan to the FGU prior to the time and date noted, and whose plan is ACCEPTED by the FGU, in its sole discretion, as being in the interest of the public in abatement of the nuisance(s). The offeror should strongly consider offering posting of a performance bond, personal guarantee or other surety to assure completion of the proposed work in its written plan. If there are no satisfactory proposals, then no bids will be accepted and the property will be deemed as offered but unsold. All decisions of the FGU are final. There will be no negotiation of terms or plans. Please make your plan as parcel-specific and detailed as possible. Incomplete or insufficient proposals shall be rejected without detailed comment.
