

# COUNTY OF JACKSON POLICY MANUAL

Policy No.  
8320

## Transportation

---

### Residential, Commercial and Field Driveways

#### I. POLICY STATEMENT:

The Jackson County Board of Commissioners realizes the significance and importance of regulating the access points to the County Road system.

#### II. PURPOSE:

To provide a uniform method to regulate, inspect and manage access points to the Jackson County road system.

#### III. LEGAL REFERENCE: Public Act 200 of 1969 as amended.

Affective with the adoption of this policy, the Jackson County Board of Commissioners will adopt Public Act 200 of 1969 as amended.

#### IV. ACTIVITY DEFINITIONS

1. For the purpose of this policy, a residential drive will be considered as being a driveway which serves as ingress and egress to a public road or street, serving a single private residence.
2. For the purpose of this policy, a field drive will be considered as being a driveway which provides ingress and egress to a public road serving a agricultural field.
3. For the purpose of this policy, a commercial drive will be considered as being any other driveway.

#### V. PROCEDURES.

1. A permit is required to create a new or improve an existing Driveway located on any certified road in Jackson County.

**VI. GUIDELINES**

1. Guidelines and regulations for driveway permitting, construction and improvement are contained in “JCDOT Driveway Standards Manual”, as amended.

**VII. FEES**

1. The current permit fee schedule may be changed in accordance with the provisions of Public Act 212 of 1980.
