Hearing and Vision Office

1715 Lansing Ave • Room 246 • Jackson, MI 49202

Phone (517) 788-4395

Here is a list of eye doctors in Jackson County and surrounding areas accepting Medicaid. If you have any questions about your vision coverage or which locations will accept your personal health insurance, contact your insurance provider. Please note that there are usually limited appointments available at the locations listed below and wait times to book an appointment in Jackson may be long. Contact your Medicaid provider for other options outside of the Jackson area and to ask about transportation assistance to those locations.
